

**Position: Case Management Supervisor**

**Position Overview:** Provide clinical supervision to staff providing mental health case management services to young adult and youth populations. Assure the provision of quality service and contract compliance by managing and overseeing the day-to-day operation of the programs and activity of staff, both direct and administrative. Participate in On-call shift rotation as needed.

**Qualifications:** MSW/MA in a mental health-related field from an accredited school. Three to five year's related professional experience and/or training or equivalent combination of education and experience. LMSW, LLP or LPC in the State of Michigan; limited licensure considered. CAADC licensure preferred. Prior supervisory experience preferred.

Qualified candidate must have the ability to provide out-of-office service in a community setting in unpredictable situations; able to implement physical assistance and/or intervention.

Exempt/Full-time    Salary Range: \$42,000 –\$65,000.
